On December 27, 1962, [redacted] of the Waluhaje Apartment Hotel, 239 West Lake Avenue, Atlanta, Georgia, advised SA EUGENE D. MURPHY that she had been reading in the newspaper that HUNTER PITTS O'DELL was a Communist and the fact that MARTIN LUTHER KING, JR. had released him from the SCLC when he found O'DELL to be connected with the CP. [redacted] stated, however, that O'DELL had registered into the Waluhaje at 12:10 p.m. on December 7, 1962, and represented himself to be with the New York Office of SCLC.

b6
b7C

On January 14, 1963, [redacted] advised that her records show O'DELL registered into room 219 on January 10, 1963, and checked out on the same date. She said he again registered on January 12, 1963, and checked out on January 14, 1963. On both of these occasions he also represented himself as being with the New York Office of SCLC and gave his address as 312 West 125th Street.

On January 4, 1963, AT T-2 advised that O'DELL continues to be involved with SCLC in New York City in a fund-raising capacity, but understood that O'DELL was not currently on the SCLC payroll.

On January 7, 1963, [redacted] of the Waluhaje Apartment Hotel, advised her records showed that O'DELL checked in on December 27, 1962 and checked out on January 7, 1963. At this time [redacted] said that O'DELL requested that his bill be charged to SCLC, but because of the publicity that O'DELL had been fired from SCLC, [redacted] requested him to get confirmation for having the bill charged to the SCLC Office in Atlanta.

b6
b7C

[redacted] advised that EDWINA SMITH, who identified herself as a secretary at SCLC, confirmed to [redacted] telephonically that the bill would be paid by SCLC.

On December 7, 1962, AT T-3 advised that on November 26, 1962, VAUDY BENNETT, Chairman of the CP of Indiana, received in the mail a typed letter from MARTIN LUTHER KING, JR., 322 Auburn Avenue, NE, Atlanta, Georgia, making an appeal for funds for SCLC.

AT T-4 stated on February 25, 1963, that the SCLC leadership, including MARTIN LUTHER KING, JR. and WYATT TEE WALKER, are very favorable toward Southern Conference Educational Fund (SCEF) and CARL BRADEN. [redacted] stated that (u)

~~SECRET~~

~~SECRET~~

the Southern Regional Council (SRC) does not want to work with SCEF and does not want to even be in attendance at Civil Rights Conferences with them. ~~T-4~~ said that there was a general feeling among many civil rights organizations regarding the possibility of Communist infiltration in the leadership of SCEF. Another reason for the reluctance to work with SCEF was that BRADEN's methods of operation in the civil rights field does their cause more harm than good. ~~T-4~~ said that when any mention is made to SCLC leadership by SRC regarding their feelings in this matter, KING will not listen or change his mind about working with SCEF. WALKER reportedly becomes abusive in his criticism of SRC for this attitude.

~~T-4~~ also stated that KING has recently given talks in New York City at meetings sponsored by SCEF, and because of his presence, caused a great deal of money to be donated to that organization. ~~T-4~~ said KING was a hero in the North and because of this is a most potent force in the civil rights field. However, KING is not so highly regarded by even some of his own people in the South and some Negro leaders in the civil rights field despise KING.

~~T-4~~ also reported that other civil rights organizations are quite concerned about SCLC, not only because of their apparent closeness to SCEF, but also because they continue to keep HUNTER PITTS O'DELL as their fund raiser in New York City, especially after the recent publicity regarding O'DELL's Communist affiliations.

The characterization of SCEF is included in the Appendix of this report.

CARL BRADEN

Mrs. ALBERTA AHEARN, 2311 Payne Street, Louisville, Kentucky, a self-admitted former member of the CP, Louisville, in testifying on December 11 and 13, 1954, in Jefferson County, Kentucky, Criminal Court, in a state sedition prosecution against CARL BRADEN, identified CARL BRADEN and his wife, ANNE BRADEN, as having been known to her as members of the CP Louisville, from January, 1951, to shortly prior to the time of her testimony.

~~SECRET~~

~~SECRET~~

The Courier-Journal, Louisville, Kentucky, a newspaper of general circulation, on February 3, 1959, reported that CARL BRADEN had been sentenced to one year in prison on a charge of contempt of Congress on February 2, 1959, in Atlanta, Georgia. The story noted that he had been convicted under this charge on January 21, 1959, and that the charge arose from his refusal to answer questions before the House Committee on Un-American Activities (HCUA).

The Louisville Times, Louisville, Kentucky, a newspaper of general circulation, on February 27, 1961, reported that the United States Supreme Court had, on that date, affirmed the contempt of Congress conviction of BRADEN.

The Courier-Journal, on May 2, 1961, reported that CARL BRADEN had surrendered to the United States Marshal at Atlanta, Georgia, on May 1, 1961, to begin serving a one-year prison sentence for contempt of Congress.

The Courier-Journal, on February 2, 1962, reported that CARL BRADEN had been released from the Federal Prison Camp at Allenwood, Pennsylvania, on February 1, 1962. BRADEN indicated that he would return to his home, Louisville, Kentucky.

The December, 1961, issue of the Southern Patriot which, according to its masthead, is published by the SCEF, identifies CARL BRADEN and his wife, ANNE BRADEN, as field secretaries and editors. The address of the editorial offices of this publication is given as 4403 Virginia Avenue, Louisville 11, Kentucky, which is the home address of the BRADENS.

APPENDIX

~~SECRET~~SOUTHERN CONFERENCE EDUCATIONAL FUND, INC.

"The Southern Patriot," a monthly publication, shows that it is published by the Southern Conference Educational Fund, Inc. (SCEF).

"The Southern Patriot" was cited as an "organ" of the Southern Conference for Human Welfare (SCHW) by the Committee on Un-American Activities, House Report 592, on the SCHW, June 12, 1947.

The SCHW was cited as a communist front by the Committee on Un-American Activities, House Report 592, June 16, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1947.

A source, who is familiar with some phases of Communist Party (CP) activity in the New Orleans area, advised on May 25, 1962, that during the time the SCHW was in existence, CP members were members of and worked actively in the SCHW. However, since the formation of the SCEF, rank and file CP members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the Communist Party on certain issues, particularly on the racial question, and through the years, certain CP members in the New Orleans area have been assigned to work in the organization to further CP principles.

On May 25, 1962, the source advised that in the past he has considered JAMES DOMBROWSKI, the Executive Director of the SCEF, to be a communist, if not an actual Communist Party member, because he followed communist principles.

The source also advised on May 25, 1962, that many people who are officials and members of the SCEF, while liberal in their views, are by no means communists.

Another source advised on March 2, 1961, that
CORSADE LIGHTFOOT, a Communist Party functionary, stated at
a meeting of the Communist Party in Baltimore, Maryland,
on February 25, 1961, that the Communist Party is not con-
nected with any progressive movement but indirectly they
do have some influence in the SCEF. (S)

Reg. [redacted] 1 SCLC

A news item in the Pittsburgh Courier newspaper, dated August 17, 1957, on Page 2, entitled "New Rights Group Launches in Dixie", reported that the Southern Christian Leadership Conference (SCLC) was officially launched at Montgomery, Alabama, at a mass meeting attended by over 2,000 persons. Dr. Martin Luther King, Jr., was named as president. The article stated that registration lists compiled at this mass meeting showed persons from twelve states and the District of Columbia came in answer to the call of SCLC, which had been formed the year before in New Orleans. The purpose of the conference, according to the news item, is to organize a Southwide register-and-vote campaign among Negroes.

b6
b7c

On June 14, 1962, records of the Secretary of State, State Capitol Building, Atlanta, Georgia, disclosed the following:

SCLC was incorporated on June 5, 1958, by order of a Superior Court judge, Atlanta Judicial District. It was indicated that the organization was incorporated as non-profit. Records showed a certified statement for annual registration dated August 23, 1961, which showed the SCLC president to be Dr. Martin Luther King, Jr., 208 Auburn Avenue, N.E., Atlanta. This statement described the nature of SCLC business as civic, religious, economical and cultural.

An undated folder captioned, "This is SCLC", was published in 1962 by SCLC, and stated that SCLC is not a membership organization but is constituted by affiliate groups and organizations, such as churches, civic organizations and fraternal groups.

The folder reported that SCLC is a nonsectarian group which has the basic aim of achieving full citizenship, equality and integration of the Negro into all aspects of American life through the means of direct non-violent action.

[redacted] advised that Stanley Levison, an attorney in New York City, has been acting mostly as a business manager for the New York Office of SCLC and has donated large amounts of money to King at times when his finances were especially low. [redacted] said that Levison is very close to King and gives advice to King, which advice is readily accepted. [redacted] stated that Levison is also very close to Hunter Pitts O'Dell, who was described as head of the New York Office of SCLC. (S) (u) b7D

The confidential source advised during June, 1963, that Stanley D. Levison was a "secret" member of the Communist Party, USA. Source advised that as of July, 1962, the Communist Party, USA, considered Hunter Pitts O'Dell to be a member of its National committee. (S) (u)

A news article in the Atlanta Constitution newspaper dated July 25, 1963, entitled, "Onetime Communist Organizer Heads Reverend King's Office in New York", by Bill Shipp, sets out that Jack H. O'Dell, who also is known as Hunter Pitts O'Dell, and who has been identified as a district organizer for the Communist Party, USA, is now Director of the New York Office of Dr. Martin Luther King, Jr.'s Southern Christian Leadership Conference.

The article related that King said on October 31, 1962, that O'Dell had resigned from SCLC.

King said again on December 1, 1962, that O'Dell was no longer with SCLC, and one of King's top aids told the Atlanta Constitution on July 18, 1963, that O'Dell was no longer with SCLC.

An article in the Atlanta Constitution dated July 26, 1963, by Ted Simmons, entitled "Reverend King Denies O'Dell Link But His Office in N.Y. Differs", reported that King denied on July 25, 1963, that O'Dell was presently employed by SCLC, but King said that he could not explain why a United Press International investigation on the morning of July 25, 1963, found that O'Dell was identified by SCLC's New York Office as an "administrator" with the organization.

Current SCLC headquarters are observed to be at 332 Auburn Avenue, N.E., Atlanta, Georgia.

On September 6, 1963, a confidential source, who has furnished reliable information in the past, advised that Harry Belafonte, Negro entertainer, had advised Clarence Benjamin Jones that he wanted Jones to be his lawyer in a matter which involved how the networks have been treating colored entertainers. According to this source, Jones advised Belafonte that this would be a federal case because the networks were involved. Belafonte indicated that the case would have to be taken to the Supreme Court. Belafonte also stated that he had been taken off the air by Revlon because Revlon did not want Belafonte's company (presumably Belafonte Enterprises Incorporated, 120 West 57th Street, New York City) to be integrated. Belafonte stated that he wanted to go into this thing to win, and not just for the publicity. In referring to the networks, Belafonte stated that he wanted "to break their backs" and open things up so that every other Negro artist in the country could sue. Belafonte advised Jones that he wanted to put on a season concert in New York City for the benefit of the Gandhi Society for Human Rights. Jones also indicated to Belafonte that Martin Luther King was seriously entertaining the thought of combining the Student Non-Violent Coordinating Committee (SNCC) with the Southern Christian Leadership Conference (SCLC).

The letterhead memorandum makes reference to a conversation between MARTIN LUTHER KING and CLARENCE JONES wherein JONES makes reference to "our friend". "Our friend" is undoubtedly STANLEY LEVISON. The full text of the conversation at this point is as follows:

JONES states "Well, let me reflect upon it and I'll discuss it with our friend and get his feelings about it". KING states "He understands why I haven't called him?" JONES answers "Yes, absolutely, in fact, he would be a little upset if you did". KING then states "I'm trying to wait until things cool off until this civil rights debate is over as long as they may be tapping these phones you know but you can discuss that with him".

The letterhead memorandum is classified "Confidential" because it contains information from NY 4092-S*, the unauthorized disclosure of which could seriously impair the investigation of subversive matters and thereby be injurious to the national security of the U.S.

On September 10, 1963, a confidential source who has furnished reliable information in the past, furnished information which indicated that on that date Martin Luther King held a discussion with Clarence Jones regarding the March on Washington. One matter discussed was the making of a record album which would contain the speech made by Martin Luther King at the March on Washington. This discussion also included how the proceeds from this record would be distributed. Jones indicated that he felt that the proceeds should go to the three civil rights groups equally and that King should discuss this matter with A. Phillip Randolph (head of the Brotherhood of Sleeping Car Porters) before he entered into an agreement with RCA, because the other groups would think that King was trying to capitalize on the March for the benefit of the Southern Christian Leadership Conference (SCLC) or for himself. Both men agreed however, that King and the SCLC would make much more money if they had the album exclusively. They also agreed that the people would buy the album because of King's speech and therefore it would not be fair to split the money among the other organizations. It was also agreed that King would be in a difficult position in discussing this point with Randolph and that therefore Jones should discuss this matter with Randolph.

As of July 3, 1963, Clarence Jones was the General Counsel for the Gandhi Society for Human Rights, 15 East 40th Street, New York City.

A second confidential source who has furnished reliable information in the past advised that on February 26, 1957, he identified a photo of Clarence Jones as the person whom he knew during late 1953 or early 1954 to be a member of and in a position of leadership in the Labor Youth League (LYL). (C)4

The LYL has been designated pursuant to Executive Order 10450.

(X)(u)
[This source] further stated that Jones and King also discussed the replacement of Jack (presumably Hunter Pitts O'Dell, previously employed as an administrator in the New York Office of the SCLC) and that in this conversation the name of Bayard Rustin (Deputy Director - March on Washington) was brought up by King. King wondered whether it would be possible for Rustin to come back into the civil rights movement inasmuch as he had now received good press publicity as a result of the March on Washington. According to this source, these two (u) individuals, in referring to Rustin, discussed the reasons why "we had to let him go". King indicated that during the sit-in movement "they" started getting problems regarding Rustin's homosexual problem. Jones inquired whether King was making reference to actual complaints from students and King answered "from students" and indicated that Rustin "loses control" when he drinks. King further stated that "..... I think he controls himself pretty well until he gets to drinking and he would approach these students and they started talking with people about it and there was something of a reflection on me so that was really the main problem I just don't know maybe you ought to talk with our friend about it because he knows the problem very well". Jones indicated that he would discuss the matter with "our friend" and get his feelings about it. King further inquired as to whether "our friend" understood why he, King, had not called him and Jones answered "Yes, absolutely". King further stated that "I'm trying to wait until things cool off until this civil rights debate is over you can discuss that with him".

(X)(u)
[This same source] also advised that a short time later Jones held a discussion with Stanley Levison in which he stated that the question had been put to him regarding Rustin as to whether Rustin could take a position like heading up the New York Office (presumably of the SCLC) without causing undue harm to the organization, from the standpoint of the charges which have been labeled against him. Jones advised Levison that the person who had raised this question with him had stated that Levison was aware of this problem regarding the complaints emanating from instances when Rustin perhaps drank too much. Levison answered "Yes - that was some years ago". Jones indicated that this matter arose out of a question regarding the supervision and

disposition of the New York Office (presumably the New York Office of the SCLC). Levison then stated that the matter required some thought, commenting that Rustin acts impulsively when leading the organization. Jones further stated that he had been thinking of others for the job and mentioned the name Ted Brown. Levison stated that he did not like that idea.

During July, 1962, a third confidential source who has furnished reliable information in the past, advised that as of July, 1962, Hunter Pitts O'Dell was considered by the Communist Party, USA, to be a member of its National Committee. (S) (u)

Bureau 8/29/63 captioned "Subversive Organization
Characterizations, IS-C," requesting Bureau approval of a
thumbnail sketch of the Southern Christian Leadership
Conference (SCLC).

In view of the fact that the SCLC is the subject
of a communist infiltration type investigation and not the
subject of a front organization type investigation your
suggested thumbnail sketch is not being approved. The Bureau
has carefully considered your request and sees no reason
to make exception to the past procedure of not utilizing
approved thumbnail sketch characterizations in communist
infiltration cases unless there is some unusual circumstances
that make such action necessary.

In view of the widespread publicity presently being
enjoyed by the SCLC, the Bureau is being very careful in
disseminating information concerning the communist infiltration
of this organization and, because of the sources involved any
dissemination is being classified "Secret." In the event you
receive inquiries from other offices requesting identifying
data concerning the SCLC and its officers, you should advise
these offices to be most circumspect in disseminating such
information, and if there is any question concerning this
matter the Bureau should be consulted prior to dissemination.

The thumbnail sketch on the SCLC submitted by the
Atlanta Office is not being approved inasmuch as this is a
communist infiltration type investigation. Thumbnail sketches
are usually only prepared on "front organizations." The words
of caution are being sent out inasmuch as the SCLC is headed by
Dr. Martin Luther King, who has been described as a confirmed
Marxist by NY 694-3*. This source has also described a close
associate of King's as a "secret" member of the Communist Party.

RE: NATIONAL CONVENTION,
SOUTHERN CHRISTIAN
LEADERSHIP CONFERENCE (SCLC)
RICHMOND, VIRGINIA
SEPTEMBER 23 - 27, 1963

On September 19, 1963, a source, who has furnished reliable information in the past, advised that the 7th Annual Convention of the SCLC will be held in Richmond, Virginia, with most of the sessions and activity being held at the Virginia Union University. The convention will open on Tuesday evening, September 24, 1963, with a "Freedom Banquet" at the John Marshall Hotel in Richmond, and will continue daily with day and evening sessions of the convention held at the Belgium Building on the Virginia Union University campus. There will also be morning workshops and clinics to be held daily at the First African Church in Richmond. The theme of the convention will be "Freedom Now" and proceeds received from the "Freedom Banquet" will go to the "Freedom Now Fund". The Virginia State Unit of SCLC is the host to the convention and Dr. Thomas H. Henderson, President of Virginia Union University is Honorary Chairman of the convention. More than 500 guests from the 75 affiliate units of SCLC across the United States are expected to attend. JA.

A planning session for the convention was held in Richmond, Virginia on September 7, 1963, at the Headquarters of the Virginia Teachers Association, a Negro teachers association in Virginia, at which Dr. Martin Luther King and Reverend W. Tee Walker, officials of SCLC, were in attendance. Original plans were for holding a mass meeting at the Mosque, a civic auditorium in Richmond, Virginia, on the night of September 27, 1963, however, these plans were abandoned, as it was feared that the group would not be able to fill the Mosque and it was decided to hold this meeting also at the Virginia Union University campus.

Bayard Rustin, Deputy Director, March on Washington, from
New York City.

The program called for a public meeting to be held at the Belgium Building, Virginia Union University, at 8 pm to hear addresses by Senator Paul H. Douglas of Illinois and Senator Jacob Javits of New York.

The Richmond News Leader, a daily newspaper, Richmond, Virginia, on September 25, 1963, in reporting on the SCLC convention, stated that Reverend Martin Luther King, Jr., in his annual report, characterized the Birmingham church bombing as the "turning point in the civil rights movement, which is becoming a third American revolution."

This article further reported that Reverend Wyatt T. Walker, Executive Assistant to Reverend King, in his key-note address, stated the recent church bombing in Birmingham and other violence there apparently have not convinced state and federal authorities that there is an "atmosphere of urgency" in the civil rights movement." Further, he was reported as stating the federal government is providing "ambulance service" alone in areas where it should be taking preventive measures. He declared further "the basic approach of the non-violent revolution will not change. It will be marked by its frequency and intensity. It is already evident that the South will not be the chief locus of activity. The entire nation will feel the brunt of the non-violent force's demands. In the South, most of the activity will be focused on schools and public accommodations; in the North, it will be on employment and housing."

The Richmond Times Dispatch, a daily newspaper, Richmond, Virginia, on September 26, 1963, in reporting on the SCLC convention, reported that Reverend Wyatt T. Walker, in his address, stated that Negroes may soon be compelled to stage massive acts of civil disobedience to convince the nation of their impatience with all forms of racial discrimination. The article continued that Reverend Walker envisioned a shut-down of airports, train and bus stations, the traffic of large cities and all interstate commerce

"by the bodies of witnesses non-violently insisting on freedom now." The article continued that Reverend Walker stated a more immediate solution "could well be the implementation of a national program of economic withdrawal during the coming Christmas season." He declared a massive refusal to buy on the part of the Negro community and others of good will "would throw the business world into shock and maybe then, and only then, will we gain the support of the nation's financial leaders to exert some initiative in eliminating the evils of segregation and discrimination."

The article reported that more than 200 SCLC delegates at the First African Baptist Church burst into song at the end of Reverend Walker's address.

This article further reported that Bayard Rustin, Deputy Director of the freedom march on Washington, and a participant in a panel discussion, told the delegates that SCLC's strategy should be to utilize every brutality as a means of encouraging allies to join the civil rights movement.

Major [] advised that there were approximately 600 present at the evening session of the convention held at the Belgium Building, Virginia Union University, to hear addresses by U. S. Senators Jacob Javits and Paul H. Douglas.

[] 109th Intelligence Corps Group, U. S. Army, Richmond, Virginia, was advised of the above at 8:16 am on September 26, 1963.

RE: NATIONAL CONVENTION,

Major [redacted] Richmond Police Department, Richmond, Virginia, advised on September 27, 1963, that the seventh annual convention of SCLC concluded its final day in Richmond on September 27, 1963, with activities as scheduled and without incident. He advised the sessions of the convention were again held at the First African Baptist Church and the concluding public mass meeting was held at the Belgian Building located on the campus of Virginia Union University. This meeting, according to Major [redacted], began at 7:30 PM, with the "freedom sing" and ended at approximately 12:15 AM and there were between 2,200 and 2,500 in attendance. Addresses were given by Reverend Martin Luther King, Jr., President, SCLC and Representative Adam Clayton Powell of New York.

b6

Major [redacted] advised that between 1:30 PM and 2:05 PM on September 27, 1963, Robert A. Lloyd, III, a member of the American Nazi Party (ANP), Arlington, Virginia, who was dressed in civilian clothes, distributed 125 copies of "The Rockwell Report - Is Martin Luther King a Communist?", in front of the John Marshall Hotel in Richmond, where Reverend King and many officials and delegates of SCLC were staying during the convention. He advised that there was no incident in connection with Lloyd's distributing this brochure. Further, he reported Lloyd was observed alone attending the public mass meeting held at the Belgian Building from 7:45 PM to 8:30 PM, when he quietly departed and without incident.

Major [] advised following this meeting on the night of September 27, 1963, Reverend King and members of the SCLC staff returned to the John Marshall Hotel and they were believed to be departing Richmond on September 28, 1963. b6
b7C

The Richmond News Leader, a daily newspaper, Richmond, Virginia on September 27, 1963, reported that the SCLC was requested by the Student Non-Violent Coordinating Committee, (SNCC) in a proposal submitted by Mrs. Diane Nash Bevel, Field Secretary of SNCC and wife of a SCLC official, who participates in a National Civil Disobedience Campaign, that would include the creation of a "non-violent Army". The proposal recommended refusal to pay state and local taxes; a general work stoppage and the interruption of communications with Montgomery, Alabama by mass sit-ins on highways and railroad tracks. Also, called for tying up telephone lines. According to the newspaper, the SCLC refused to endorse the proposal, because the approach was too drastic and was believed to run counter to the principle of non-violence.

This newspaper further reported that the SCLC convention passed a resolution on September 27, 1963, stating the administration's Civil Rights bill should be amended to provide that all voting cases be tried by judges appointed by Federal Chief Circuit Judges. Also, the resolution called for putting all civil rights cases, both civil and criminal, in Federal courts. Further, that a census should be taken to reduce the representation in Congress of those states which limit the right to vote. Also, the resolution called for broadened public opportunities and attacked "lawless officials" who promote from position of public responsibility practices of segregation.

The Richmond Times Dispatch, a daily newspaper, Richmond, Virginia on September 28, 1963, reported that Dr. Martin Luther King, in his address at Virginia Union University on September 27, 1963, called on the Federal Government to use all its resources to find the perpetrators of the bombing of the 16th Baptist Church in Birmingham and blamed the system of segregation as being responsible for the deaths of the six Birmingham youths. The newspaper reported Dr. King, in a news conference, preceding the address, as stating he would call for a resumption of demonstra-

tions in Birmingham, Alabama, "unless white leaders there satisfy Negro civil rights grievances within the next few days". Further, the newspaper reported Dr. King expressed disappointment, but no particular concern that Roy Wilkins, Executive Secretary of the National Association for the Advancement of the Colored People (NAACP) has been cool to Dr. King's proposal for a nationwide withdrawal from Christmas shopping as a memorial to six children killed in the Birmingham violence. The newspaper quoted Dr. King as stating "we would come to a tragic moment if there could be no healthy, honest disagreement" and he added he hoped Wilkins was expressing a personal opinion and would agree to the suggestion after examining it, "because we need a united front".

The newspaper reported Representative Adam Clayton Powell, in his address, as urging Dr. King to become the leader of a national "black revolution". The article continued that Representative Powell predicted Congress would fail to enact civil rights legislation this year and declared Dr. King's leadership is necessary to bring "the 90% of the black masses" who are not in any national organization into the fight for Negro equality". Further, Powell was reported as urging Dr. King to expand his organization into the north and stated if this were done, he would offer Dr. King the co-pastor of the Abyssinian Baptist Church in New York, which Powell heads.

b7C

The newspaper further reported Powell as stating there are only three organizations which truly represent the Negro masses, namely, SCLC, SNCC and the Negro American Labor Council.

AMERICAN NAZI PARTY, Also
Known As World Union of Free
Enterprise National Socialists,
George Lincoln Rockwell Party

A source advised on February 27, 1959 that George Lincoln Rockwell of Arlington, Virginia had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expected to become the President of the United States through the organization's platform. The main tenets of WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962 that the main activity of the organization in furtherance of these objectives had consisted of picketings with anti-Jewish and anti-Negro placards; talks by Rockwell attacking Jews as traitors to the United States; attempts by Rockwell to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. Rockwell prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the Charter of the American Nazi Party.

Re: National Convention, SCLC,
Richmond, Virginia

VA. Atlanta, Georgia, was to be the moderator, and the leaders were to be Andrew J. Young, Program Director, SCLC, Atlanta, Georgia; Hosea Williams, Chatham County Crusade for Voters, Savannah, Georgia; and Robert Moses, Student Non-Violent Co-ordinating Committee, Greenwood, Mississippi,

The program called for a public meeting to be held at the Belgian Building, Virginia Union University, at 8 pm, to hear an address by Roy Wilkins, National Executive Secretary, National Association for the Advancement of Colored People (NAACP), New York, New York.

The Richmond News Leader, a daily newspaper, Richmond, Virginia, on September 26, 1963, in reporting on the SCLC convention, stated that the SCLC officials continued on September 26, 1963 to ponder a technique that would, they feel, completely immobilize a civil rights "target" city. Further, the newspaper reported that officials of SCLC stated directors of the organization were divided over a list of "priority" targets and over the means to be used to attack racial barriers in the communities involved.

SUBJECT ORGANIZATION

The Richmond Times Dispatch, a daily newspaper, on September 27, 1963, in reporting on the SCLC convention, stated that Dr. Martin Luther King, Jr., President, SCLC, on September 26, 1963, presented a four-point plan of attack on segregation to the convention delegates, which consisted of the following:

- 1) A "massive and direct action" in Danville, Virginia along the lines of the 1963 demonstrations in Birmingham, Alabama
- 2) A nation-wide "economic withdrawal" from Christmas shopping, in commemoration of the death of the 6 Birmingham Negro children in shootings and bombings on September 15, 1963.
- 3) An immediate "selective buying program" in the South "to force employees to eliminate segregation".
- 4) A march on the state capitol in Montgomery, Alabama on an unspecified date.

Re: National Convention, SCLC,
Richmond, Virginia -

The article reported Dr. King as stating a special meeting has been called for next week in Atlanta, Georgia to set the dates and to organize details for the Danville demonstrations and the march on Montgomery, Alabama. Concerning the nation-wide selective shopping program, the article reported that Dr. King stated a national conference of civil rights leaders will be called in the near future for its organization. He further stated that among other things for this campaign, "we have in mind the idea of hiring an expert who would direct it."

The article reported that Dr. Samuel D. Proctor, President of A & T College in Greensboro, North Carolina, in his address to the convention, warned against unnecessary excesses in the combat for equal rights. He suggested that occasionally it is "extravagant" to demonstrate when discussions "around the conference table and on the telephone can go farther."

The newspaper article further reported Roy Wilkins, ✓ Executive-Secretary, NAACP, in a press conference, was "cool" to a Christmas boycott." The article quoted him as stating "I find it difficult to go against the idea of Santa Claus" and he added that the shopping ban would "disrupt" his organization's program, noting "we have a full schedule of activities which will be occupying our chapters until the end of the year."

The article further reported that Wilkins, in his ✓ address to the SCLC convention, urged "caution and statesmanship" in the Negroes' civil rights campaign. He was reported as stating "sometimes we must hit heavily, but at other times a light tap is just as effective to achieve the desired end." Further, he predicted that demonstrations will continue in those localities in which conditions are intolerable for the Negro. He stated the civil rights bill must be waged flexibly by demonstrations, law suits, and legislation, and added "no one of these is the sole solution."

Re: National Convention, SCLC,
Richmond, Virginia

Major [REDACTED] Richmond, Virginia PD, advised that approximately 125 members of the Youth Chapter, NAACP, at Virginia Union University in Richmond, assembled on the campus during the evening of September 26, 1963, and marched in a group to the Belgian Building on campus. He advised the group sang en route, and they arrived at the public meeting of the SCLC convention at 8:20 pm and attended the meeting as a group. He advised the group wore signs stating "Hi Roy, Virginia Union NAACP."

b6
b7C

Major [REDACTED] advised that approximately 900 persons attended the meeting at the Belgian Building to hear Roy Wilkins' address.

[REDACTED] 109th Intelligence Corps Group, U. S. Army, Richmond, Virginia, was advised of the above at 8:19 am on September 27, 1963.

Major [redacted] Richmond, Virginia Police Department (PD), on September 24, 1963, advised that the 7th Annual Convention of the Southern Christian Leadership Conference (SCLC) opened on September 24, 1963 in Richmond, Virginia with registration of members at the First African Baptist Church, which is to be the convention headquarters for day sessions. Other sessions of the convention, which are to last through September 27, 1963, will be held at the Belgium Building, Virginia Union University. b6 b7C

Reverend Martin Luther King, Jr., President, SCLC, at a press conference in Richmond on September 24, 1963, declared that a "task force" involving upward of 500 civil rights supporters will be sent to Danville, Virginia later this fall in an effort to break racial barriers there. Also, Reverend King stated at the SCLC conference in Richmond on September 24, 1963 that leaders will "charter a course for the future" and decide what other communities will be visited by the task force demonstrators and workers. He tentatively listed as possible targets, Williamston, North Carolina, Gadsden, Alabama, Shreveport, Louisiana, and Clarksville, Mississippi. Also, he stated a time table will be sent for a march on the Alabama capitol in protest of the policies of Governor George C. Wallace. Further, Reverend King stated leaders will map plans for a "Southwide" Selective Buying Campaign against companies that discriminate most severely against Negro employees.

Major [redacted] advised that delegates and visitors in excess of 800 attended the "freedom banquet" at the John Marshall Hotel on the night of September 24, 1963. He stated that many of the officials and delegates are staying at this hotel. He advised the banquet program listed John E. Lowery, b6 b7C

Second Vice-President, SCLC, as toast master, and J. Rupert
Picott, Executive Secretary, Virginia Teachers Association,
Richmond, Virginia, were to introduce Senator Leroy Johnson,
Negro member of the Georgia Assembly, Atlanta, Georgia, JA
who was to give the principal address. The program also
listed Reverend King was to present comedian Dick Gregory
of Chicago, Illinois, with SCLC's Annual Merit Award. JA

Major [REDACTED] advised the banquet meeting broke
up at approximately 11:15 pm, and there were no incidents or
demonstrations this date in Richmond. b6 b7C

The Richmond Times Dispatch, a daily newspaper,
on September 25, 1963, reported that Senator Leroy Johnson
of Atlanta, Georgia, identified as the first Negro elected
to the Georgia Legislature since Reconstruction, addressed
the banquet of SCLC at the John Marshall Hotel on the night
of September 24, 1963. The article reported Johnson as
declaring that Negroes will come to the "power structure" of
the southern states and not to the politicians for a solution
to their civil rights problems. Further, the article
related Johnson as stating "the real guardians of the
status quo are not the elected officials but the permanent
businessmen who control the economy."

This article further reported that the
collective buying program announced by Reverend King will
resume in Birmingham on October 1, 1963. Also, it reported
that a voter-registration drive will be conducted in
Virginia, North and South Carolina, Georgia, Alabama and
Mississippi. It was reported the SCLC's budget for 1963-1964

Foreword . . .

THE SOUTHERN Christian Leadership Conference is organized as a service agency to facilitate co-ordinated action of local protest groups and to assist in their sharing of resources and experiences. The magnitude of the problem calls for the maximum commitment of resources of all institutions in Negro life, North and South. The Southern Christian Leadership Conference seeks to cooperate with all existing agencies attempting to bring full democracy to our great nation.

I AM CONVINCED beyond the shadow of a doubt that the philosophy of nonviolence will redeem the soul of America. There is a great temptation to accept nonviolence solely as a strategy, a device; this we must guard against. This is one of the chief aims of the Southern Christian Leadership Conference: to broadly disseminate through intensive training the heart of nonviolence, that our commitment to nonviolence will not only be a technique, but shall become for us a way of life with love and redemption as its center. The other chief aim of SCLC is in the area of voter-registration. Here again, it must be recognized that the right and proper use of the ballot is vital in our struggle for first-class citizenship. The SCLC stands ready to serve in developing and organizing grassroots voter registration programs. One of the most significant steps that the Negro can take at this hour is that short walk to the voting booth.

Welcome . . .

THE SOUTHERN Christian Leadership Conference, in cooperation with the Virginia Unit, SCLC, welcomes you to our Annual Convention. It is our desire in these four days that you will have an opportunity to study more thoroughly the deeper meanings of the present social revolution in the Deep South.

We invite you to be candid in your inquiries, that we may learn together, for the study of nonviolence is inexhaustive, and there are many answers we seek in the search for truth.

We have chosen this community for our convention because it provides the interest and activity in nonviolent direct action.

We trust that the insights and techniques developed here will be utilized in your respective communities, that in the not too distant future an end to segregation will be seen all over the South.

Wyatt Tee Walker
Executive Director

Wyatt Tee Walker

Greetings . . .

IT IS OUR sincere pleasure to welcome the delegates of the Southern Christian Leadership Conference to Richmond and the adjoining areas. We of the Virginia Unit of SCLC are still struggling to be free men. Our efforts thus far to some degree have been successful due to the complete co-operation of some spirited citizens of Richmond and the adjoining areas. Our freedom one day will be a complete freedom and it shall come on the shoulders of these dedicated souls. On this day America will realize her full self-hood as intended by her founding fathers.

THIS LITTLE LIGHT OF MINE

This little light of mine,
I'm going to let it shine.
This little light of mine,
I'm going to let it shine,
This little light of mine,
I'm going to let it shine.
Let it shine, shine, shine.

- 2 Everywhere I go, I'm going to, etc.
- 3 Round my neighbors door, I'm, etc.
- 4 Down on my knees, I'm going, etc.

WE SHALL OVERCOME

We shall overcome, we shall overcome,
We shall overcome, some day.
Deep in my heart, I do believe
We shall overcome some day.

- 2 We are not afraid . . . today.
- 3 The truth will make us free.
- 4 We'll walk hand in hand.
- 5 The Lord will see us through.
- 6 We shall overcome.

OH FREEDOM

Oh Freedom, Oh Freedom, Oh Freedom
after while. And before I'll be a
slave I'll be buried in my grave.
Go home to my Lord and be Free.

No more mourning, no more mourning,
No more mourning after while. And
before I'd be a slave I'll be buried
in my grave. Go home to my Lord and be Free.

No more sadness, No more sadness,
No more sadness after while.
And before I'll be a slave
I'll be buried in my grave. Go home to my
Lord and be Free.

Its major effort centered upon Morton Sobell, 'the Rosenbergs' codefendant. The National Committee to Secure Justice in the Rosenberg Case - a Communist front which had been conducting the campaign in the United States - was reconstituted as the National Rosenberg-Sobell Committee at a conference in Chicago in October, 1953, and 'then as the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case'..."

In September, 1954, the name "National Committee to Secure Justice for Morton Sobell" appeared on literature issued by the Committee. In March, 1955, the current name, "Committee to Secure Justice for Morton Sobell", first appeared on literature issued by the Committee.

— END TERROR IN THE SOUTH —

SEND U. S. TROOPS TO ALABAMA

The Bestial murder of six Negro children last Sunday in Birmingham, Alabama, brings to a head the wave of terror that has been directed against Negro citizens in Mississippi, Georgia, Louisiana and other parts of the South.

Killing, bombings, kidnapping, use of police dogs and horses, electric cattle prods, blacklisting, ... every conceivable means have been used to deny Negro people their elementary Constitutional Rights.

AMERICA'S NO. 1 CRIMINAL -- GEORGE WALLACE !

The murderous crew responsible for these outrages are led by Governor George Wallace of Alabama. Wallace has violated the Federal Constitution, and does not hesitate to incite to murder. He is quoted as criticizing the work of the dynamiters with the cynical comment that "of 47 bombings, no one has been killed." He has been further quoted as saying "seven or eight funerals" were needed to solve the racial problem in Alabama.

FEDERAL RESPONSIBILITY !

These crimes took place because of the failure and reluctance of the Federal Government to act against such mad racists as Wallace in public life, and the terrorists of the Ku Klux Klan, White Citizens Councils and American Nationalists. As head of the F. B. I., J. Edgar Hoover has failed to bring to justice a single criminal involved in these outrages. Over 50 bombings in the city of Birmingham alone, since World War II, have gone unpunished.

PRESIDENT KENNEDY MUST ACT VIGOROUSLY !

The lawless elements now in control of Alabama can not be expected to protect the lives and properties of its Negro citizens. Therefore, we Communists support every demand for immediate Federal intervention in that state. We call on the President to issue an executive order placing Alabama under Federal occupation until free elections can be held in which all citizens, Negro and White, have the right to vote.

We call for the arrest of George Wallace, Al Lingo, "Bull" Connor, and leaders of the various hate groups for inciting to murder and arson.

Clean out the F. B. I. and put in people who will truly enforce the Constitution of the United States. End racism in the F. B. I. itself. Bring to justice those criminals directly involved in the killings and burnings.

DEMOCRACY IN THE SOUTH MEANS A BETTER AMERICA !

Some of our country's most rabid reactionaries are products of the Dixiecrat South. In Congress, their voices are most strident in opposing the Moscow Treaty to ban nuclear testing in the atmosphere. They are historically anti-labor. They are foremost in the efforts to block forward looking legislation, be it medical care for the aged or an attempt to aid the unemployed young people. They are not anti-Negro, but anti-Catholic and anti-Jewish. Their defeat will mean a better America for all.

PASS A FEDERAL CIVIL RIGHTS LAW NOW !

Now is the time to speak out ! Write President Kennedy, your Congressmen and Senators. DEMAND: Immediate passage of strong civil rights legislation that will outlaw segregation and discrimination because of race, creed or color, and guarantee the right to vote to all.

On October 29, 1963, a confidential source, who has furnished reliable information in the past, furnished information which indicated that Clarence Jones was in contact with Martin Luther King on that date. Jones told King that he and their mutual friend had been favorably impressed by Wyatt Walker's brother as an individual. Jones said that in terms of the specific requirements of the New York Office, there did not appear to be anything in his background which would give him any special experience. Jones mentioned that Walker's brother was of the opinion that he could handle the job particularly after it had been indicated that he could call upon the assistance of "our friend" and himself (Jones). Jones also indicated that he and their friend had a cautious reaction about making this a permanent selection because there are so many specialized factors which one needs in doing the job. It was

mentioned that Walker's brother comes from a background of church relationships and seems to be comfortable in that area. In view of this, it was suggested that Walker's brother, if he were to take the job in New York, he would initially seek to handle those responsibilities which Jack O'Dell had discharged; and that if he did it with the thought of moving away from that slightly and concentrating more in the church area of fund raising, it would give them additional time to get some other person who might have much more specialized qualifications. It was suggested to him that after he had been in the job for a period of time, he would move over from the Jack O'Dell type of work to the work of developing the fund raising base within the church community. King indicated that he would have to discuss the matter with Wyatt Walker.

Jones told King that he (King) and the organization should not feel in any degree "self-conscience" if in hiring a new person it is necessary to bring in Jack O'Dell to show the new person where certain things are and to acquaint him with certain procedures. He pointed out that this is a normal part of transition and that no one could criticize King for doing this.

With respect to the foregoing information, Martin Luther King previously asked Clarence Jones and their mutual friend to speak to Wyatt Walker's brother about the job in New York in order that Jones could give King a candid opinion of him.

Information was received from Birmingham indicating one Joey Bishop, New York City, who was described as a personal friend of King had been in contact with King and had extended an invitation to King to attend a gathering of influential people, including several millionaires, at his (Bishop's) home during the weekend of November 8-9, 1963, or on November 16, 1963. Birmingham source, [redacted] named Bishop as being one of the celebrities King could call upon to assist in demonstrations in Birmingham. b7D

New York reported a conversation on the same date in which Joey Adams was in contact with Clarence Jones saying he wanted to give a party in King's honor on November 15, 1963, and indicated that all the "right people" will be invited, including "millionaires, reporters, senators and the governor."

Because of the coincidence of names and material furnished, Birmingham and New York were requested to recontact their sources as to the accuracy of the names and information furnished. New York verified the information on Joey Adams by referral to their technical logs. Birmingham source, [redacted] was recontacted and he stated that [redacted] possibly the name could have been Joey Adams and not Joey Bishop. b7D

OBSERVATIONS:

The information from Birmingham source is not verified and we have no way of checking the accuracy. For this reason, it is not believed the information regarding Joey Bishop should be disseminated, however, we are disseminating the information concerning the contact between Jones and Joey Adams.

Re Atlanta letter, dated October 15, 1963, listing the officers and staff of the SCLC and requesting indices be checked concerning these individuals.

Included on the Executive Board of the SCLC is the name of D. E. KING, Louisville, Kentucky.

RJSC 114

The above D. E. KING would appear to be identical with Rev. D. E. KING, who for a number of years, has been pastor of the Zion Baptist Church in Louisville, Kentucky. KING has long been an outspoken integrationist and has been active in racial organizations promoting integration for a number of years. In May, 1962, Rev. KING was one of the individuals appointed by the Mayor of Louisville to serve on a Louisville Human Relations Commission. On March 19, 1963, when the Attorney General of the United States spoke in Louisville, Rev. KING sat on the platform and gave the invocation. When MARTIN LUTHER KING, JR. spoke in Louisville on May 29, 1963, Rev. KING sat on the platform and introduced MARTIN LUTHER KING as the main speaker.

In August, 1962, according to news accounts, Rev. KING was one of five Baptist Ministers, all Negroes, from the United States who, at the invitation of the Russian Baptists, visited Russia for two weeks on a Good-Will Tour and after returning, Rev. KING commented to the effect that the Baptist Church in Russia and the American Negro have a lot in common, and that they both are characterized by oppression. No reliable subversive information has been received concerning Rev. D. E. KING.

On October 30, 1963, [redacted] confidentially advised SA [redacted] that he had recently received information from a highly confidential source, whom he did not identify, that Reverend Martin Luther KING was contacted while in Birmingham recently by a well known screen and television personality, JOEY BISHOP of New York City.

[redacted] from information furnished by above source, it appeared that KING and BISHOP were very close personal friends. BISHOP said that he wished Reverend KING to come to his (BISHOP's) home during the weekend of November 8 and 9, 1963, to meet a gathering of many influential people, including several millionaires. He advised that should KING be unable to attend on that weekend then he wished him to come to New York the following weekend of November 16, 1963. KING made no definite statement as to when he might be able to visit BISHOP's home.

[redacted] stated that BISHOP told KING he had a scheme whereby "we can raise millions." He stated they could then go to a "city like Birmingham" and "really put on a demonstration."

JEWISH MUTUAL AID SOCIETY OF WASHINGTON, D.C.

~~SECRET~~

It is noted that JOSEPH BIRNMAN, self-admitted former member of the Communist Party (CP) and International Workers Order (IWO) and member of the Jewish Mutual Aid Society of Washington, D.C. (JMAS), advised on November 30, 1955, that the JMAS was composed almost entirely of former IWO members and that the organization was formed when the IWO became defunct to preserve fraternal and sick benefits and to maintain social ties.

A source advised during the period June, 1961, to May, 1962, that the JMAS continues to exist and the regular membership meetings, as well as executive committee meetings, are held at 4402 Georgia Avenue, N.W., Washington, D.C., headquarters of the Jewish Culture Society (JCS).

In late February, 1962, this source advised that at a meeting of the JMAS on February 25, 1962, it was stated that other Jewish organizations in the Washington, D.C. area were not interested in working with the JMAS because the members were considered "leftists and communists."

Records of the Corporation Office, Washington, D.C., reflect that the JMAS was incorporated on June 30, 1954, for the purpose of rendering "aid to needy members - benevolent and charitable."

It is to be noted that the IWO and JCS have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

During June, 1961, SHUTTLESWORTH accepted pastorate at the Revelation Baptist Church, 1556 John St., Cincinnati, Ohio. SHUTTLESWORTH currently resides at 965 Dana Ave., Cincinnati, Ohio.

Since arriving at Cincinnati, SHUTTLESWORTH has received numerous telephone threat calls at his home. Liaison has been established with him by the Cincinnati Office and he has been contacted on a number of occasions by agents of this office in connection with racial matters. SHUTTLESWORTH was interviewed personally by SAC E. D. MASON on 7/25/62. During this interview, SHUTTLESWORTH specifically assured SAC MASON that he was not a communist and would not knowingly admit communists into his organization.

Sources of the Cincinnati Division have furnished no information indicating SHUTTLESWORTH is engaged in subversive activities of any type.

The following information has been received by the Cincinnati Office concerning SHUTTLESWORTH:

It is noted that on 6/9/63, an article appeared in the Cincinnati Enquirer, a newspaper of general circulation in the Cincinnati, Ohio, area, under the by-line of Jack Lotto. The article was headed, "Cincinnati Pastor Named as Head of 'Red Front'".

The article identified Rev. FRED LEE SHUTTLESWORTH, 965 Dana Avenue, as pastor of the Revelation Baptist Church, 1556 John Street. The article shows SHUTTLESWORTH is one of the top leaders of the integration movement in the South and reflects SHUTTLESWORTH "has been named head of a big pro-communist front". The article indicates SHUTTLESWORTH was elected President of the "Southern Conference Education Fund" located in New Orleans and active in 17 southern states. The article continues "both the Senate Internal Security Committee and the House Committee on Un-American Activities have described the SCEF as an organization set up to 'promote communism' throughout the South".

Appearing directly adjacent to the above-described article in the Cincinnati Enquirer, is another article entitled "Won't Answer Charges, Accused Minister Says". According to the article Rev. Mr. SHUTTLESWORTH was contacted in Birmingham, Alabama, in connection with his identification in the Jack Lotto column as the President of the "Southern Conference Education Fund". The article quoted Rev. SHUTTLESWORTH as answering "I do not intend to become involved in verbal gymnastics with those, who for years, have prided themselves and made themselves famous for slandering character of others without proof and for making a mockery of the democratic process which says a man is innocent until proven guilty".

SHUTTLESWORTH is further quoted in the article as praising the "Southern Conference Educational Fund" and criticizing the House Committee on Un-American Activities.

The Birmingham Office advised Cincinnati by letter dated 9/8/61, that indices of that office showed no information which would indicate that SHUTTLESWORTH was a member of the Communist Party.

Birmingham furnished correlation memo of indices of that office which shows many references dealing with SHUTTLESWORTH's integration activities. This memo also shows the following references believed to be pertinent:

WF-1062-S* reported, on 1/7, and July, 1959, that Rev. FRED SHUTTLESWORTH of Birmingham, Alabama, was an overnight guest of MARCUS and ELIZABETH GOLDMAN of Washington, D.C. This informant reported that Rev. SHUTTLESWORTH attended a function of the Southern Conference Educational Fund, Inc., on 1/6/59. WF-1062-S* advised on 5/31/58, that MARCUS and ELIZABETH GOLDMAN consider themselves Communists, but do not use the word Communist even in discussions among themselves or their associates, preferring to use the words, "Left Progressives, we or us", in place of the word Communist. (u)

The New York Office, in July, 1961, furnished some information to Birmingham concerning the Provisional Committee for Cooperation with the Japan Council against the Atom and Hydrogen Bombs. Rev. FRED SHUTTLESWORTH was indicated as an individual who would attend a conference of this committee in Japan, on 8/6/61.

The Washington Field Office advised Birmingham on 8/1/61, that Rev. SHUTTLESWORTH's file at the Passport Office, Department of State, Washington, D.C., was reviewed on 7/26/61.
